## Seeking Candidates for Investment Banking Analyst/Associate Position

Mufson Howe Hunter & Company LLC (“MHH”) is considering applications for a full-time investment banking Analyst/Associate position with the company. This position is for recent graduates with a desire to work in the field of investment banking, or for talented individuals with 2-4 years of experience in a related field.

### Mufson Howe Hunter & Company Overview:

Located in downtown Philadelphia, Mufson Howe Hunter & Company is an independent investment bank for middle-market companies. We are experts in buyouts, selling businesses and private placements of debt and equity. Unique to the middle-market, our senior bankers each have 25+ years of corporate finance experience, possess a deep knowledge of the capital markets, and are results-oriented with over 400 completed transactions. The Analyst/Associate will have the opportunity to meet and work alongside many dynamic entrepreneurs and management teams operating companies in a range of industries.

### Analyst responsibilities include:

- Perform detailed market and industry research
- Prepare comparative analyses of publicly-traded companies and mergers & acquisitions
- Draft materials for new business opportunities and client assignments
- Assist in conducting business and financial due diligence on prospects and clients
- Develop financial models for forecasting, valuations, financings and buyouts

### Candidate Considerations:

#### Requirements

- Bachelor’s degree in Finance, Accounting or Economics
- Minimum GPA of 3.2 from a top-ranked university
- Advanced coursework in financial accounting, corporate finance and U.S. capital markets
- Skilled with Microsoft Excel, Word and PowerPoint
- Comfortable working on multiple assignments with tight deadlines
- MBA or equivalent degree is preferred

#### Successful Traits

- Superb analytical and communication skills
- Intellectual curiosity and desire to excel
- Strong work ethic and attention to detail
- Integrity and sense of humor
