# Mufson Howe Hunter & Co.

---

2025

## Firm Overview

Mufson Howe Hunter is an investment bank and broker-dealer headquartered in Philadelphia, with a second office serving the Washington, D.C. market. The firm specializes in advising privately held, family-owned middle-market companies and private equity firms. MHH provides M&A advisory and strategic guidance across key industry sectors, including business and industrial services, consumer products and services, industrials, and technology. Their core services include mergers and acquisitions, private growth capital placements, and strategic advisory. With over 21 years of experience, MHH has built a reputation as a trusted partner to owner-operators and entrepreneurs.
