Mufson Howe Hunter
INVESTMENT BANKERS FOR GROWTH

Mufson Howe Hunter is Named as a Top 50 Middle Market Investment Bank

The Top 50 Investment Banks in the Middle Market award program recognizes leading investment banks who have deep market expertise and deploy strategies that mitigate financial risks to sustain long-term growth for their clients. Winning firms are known for their strong track record, a history of large deal size and significant transaction volume, complex transactions, and a focus on governance and collaboration.

"What sets leading investment banks apart is their ability to combine sharp market insight with value-driven strategic advisory. We are proud to support these leading middle market investment banks who continue to demonstrate exceptional leadership and insight, distinguishing themselves through market expertise and a relentless commitment to client success," - Kerry Grady, Founder of TOP 50 Investment Banks in the Middle Market
